WITH HOME PEOPLE" but five of these reasons stand out most prominently:

1st. Your home people are your friends; they stand by youin times of need and see that you are always properly taken care of. 2nd. Your home people invest in home. They have a vision of a better town and back up that vision with their dollars. 3rd. Your home people support all worthy charitable causes and put their shoulders to the wheel in promoting all worthwhile things. 4th. Your home people support home institutions-churches, schools, civic organizations and foster civic pride always.
